SUMMARY

- Highly motivated senior web developer with four years of experience in web development, testing, troubleshooting, and implementation.
- Knowledge of technical specifications and workflow development.
- Fluent understanding of project management and software development life cycle (Agile&Scrum and waterfall).
- Expert communication, interpersonal, and organizational skills.
- Upper-Intermediate degree in English.
- 24 years old.

TECHNICAL SKILLS

Web Development:

- PHP5(OOP), SQL, MongoDB, XSLT, Git, APC, Gearman.
- XHTML, CSS, LESS&SASS, JS, jQuery
- Yii2 & CakePHP.
- Basics of C++, Objective-C and Python.
- UNIX server administration.

Professional:

- Writing up technical manuals and user instructions.
- Knowledge of international web standards and protocols.
- Adaptable and able to quickly pick up new techniques.
- Experience in Agile process (scrum&kanban).

Personal:

- Passionate about doing a good job, and make something great.
- Knowledge of Adobe CC kit.
- UI/UX experience

EXPERIENCE

Senior PHP Developer

01.2015 - present

Arhitonika (startup), St. Petersburg

- In a collaboration with a Team Lead, designed complex informational structure for the project. Configured the development environment for the project (vagrant, git, codeship). Participated in database&API design.
- Develop and maintenance REST API & CMS part of the service using Yii2. API is developing with TDD principles.
- Collaborated with front-end developers to design appropriate JSON structure.
- Mentor two developers in Agile&CI. Supervise code reviews and ensured all solutions met architectural specifications.

Senior PHP Developer

03.2014 - 01.2015

Astra Media Group (Internet Agency), St. Petersburg

- Responsible for effectively team work on a range of projects, tasks management, hosting and deployment.
- Taught team members and implemented unified code style and code requirements. Actively participated in R&D.
- Develop complex web apps using PHP&XSLT.
- Forced front-end developers to use new things: like SASS and Gulp.
- Worked as a project manager&developer on our own (agency) web site.

Middle PHP Developer

06.2013 - 03.2014

Lead Zeppelin (Internet Agency), St. Petersburg

- Worked on development of high-load e-commerce web-site, of one of the largest and oldest electronic retailers in Russia (key.ru), using PHP5 (OOP) and XSLT (as template engine). It also includes enhancements and maintenance of mobile version. And I participated in testing and deployment (PHPUnit & Jenkins).
- Architected the informational structure for a group of 6 connected e-commerce websites to meet client requirements. Implemented Scrum process on this project and developed it.

PHP Developer

09.2011 - 06.2013

Kortec (Internet Agency), St. Petersburg

- Worked as part of a multi-disciplinary team, with a Scrum&Kanban process.
- Developing and maintaining the back-end functionality of websites, using Yii & CakePHP frameworks and MODX.
- Also wrote cross-browser compliant XHTML, CSS & JavaScript.

Jr. Researcher

06.2011 - 06.2013

NTIOM National Optical Institute S.I. Vavilova, St. Petersburg

- Participated in the experiments for the optic fiber manufacturing. Handle experimentally obtained data.
- Wrote programs in C++ and JS to handle data of the experiments and visualize it.
- Based on research results, wrote two articles for the national 'Optical Journal'. Also made a presentation at two conferences.
- Get one patent for invention

EDUCATION

**National Research University of Information Technologies,
Mechanics and Optics**

2008 - 2013

St.-Petersburg, Russia

Engineer of physics and technology of optical communication

Gonzo Design

02.2013 - 05.2013

St.-Petersburg, Russia

Graphic Design Course.

ACHIEVEMENTS

Articles:

**Minimization of optical losses in single-mode fibers
with anisotropic elliptical BGeSi shell**

2012

Optical Journal, #7(79)

**Anisotropic single-mode fiber with elliptical BGeSi core
and W-type shell**

2014

Optical Journal, #2(81)

Patents:

The method of chemical etching of the quartz glass tubes

2012

#2477713, Russia
